

BATPak® Containers

Provides:

Convenient handling, efficient design, returnable and recyclable packaging which saves time and has no disposal issues

Make Applications Easier And More Efficient With Handy BATPak® Containers.

Now you have a much better way to buy, store and use pesticides—and make recycling faster and easier—thanks to the convenient BATPak® packaging concept from Phoenix Environmental Care. The BATPak (which stands for Buy, Apply, Turn in) is a unique, environmentally friendly, multi-gallon delivery system available in both 7.5 gallons and 25 pounds. Designed to simplify container handling and disposal, the BATPak saves

you time and trouble with every application because you avoid dealing with multiple individual jugs. In addition to giving you more flexibility, BATPak containers are returnable and reusable. That reduces landfill waste and lowers the risks of chemicals going where they shouldn't. Kestrel®, Kestrel® MEX, Vital®, Vital Sign™, WingMan® and GoldWing™ are currently offered in the BATPak, with more products to follow.

Features

Easy-to-handle jug

Tapered mouth and "No-Glug" valve

See-through container

Interlocking grooves for secure stacking (up to 4 high)

Durable fluorinated plastic construction

Benefits

Gain flexibility and convenience by dealing with fewer containers

Added value from containers that fully drain, with less risk of spillage

You can easily view the level of contents inside

More efficient use of your available storage space

Peace of mind that container is protected from corrosion or degradation

Directions For Use:

Follow specific application instructions for Kestrel®, Kestrel® MEX, Vital®, Vital Sign™, WingMan® or GoldWing™ when using them from a BATPak container. When emptied, the BATPak can be triple-rinsed and then returned to Phoenix Environmental Care at our expense. Each BATPak includes a self-addressed box with pre-paid shipping to make returns as easy as possible. If necessary, the rinsed-out BATPak may also be properly disposed of locally.

Field Support:

When you need product or technical assistance, turn to Phoenix Environmental Care's local distributor network for responsive service and support. You can also direct any questions regarding BATPak to 1-888-240-8856 for prompt attention.
